

Following the success of previous 3 editions of Pharma Manufacturing and Automation Convention, Eminence Business Media is launching 4<sup>th</sup> Annual Pharma Manufacturing and Automation Convention 2022. The program offers unparalleled business, research opportunities, networking platforms and access to new trends in Indian Pharma Industry.

This is an ideal event to learn about the latest trends shaping the pharma industry, to gain new skills and insights from successful pharma experts and peers. PM&AC is packed with plenary sessions, educating keynotes, hands-on workshop, dedicated Q&A rounds with deep focus on thought-provoking discussions and peer led networking.

This year we will focus on understanding how the practical implementation of technologies have benefited the pharma companies. How did the pharma leaders overcome the challenges while adopting digitalisation? Learn from their experience to benefit our automation strategies and masterplans.

Join us and witness the booming industry by participating and give your career and business access to new opportunities.
